16,800 sq. ft.

Benefits of using Cubex realized in the first year:

- \$52,281 reduction of inventory on hand
- 38% decrease in staff time spent on pharmacy and supply management
- \$62,679 overall savings

“Cubex has been a great addition to our hospital. We have drastically decreased our inventory on hand. All of the staff know where to go for all the items that at one point were scattered throughout the hospital. We were able to decrease our inventory management personal as well. We no longer have outdated drugs, and the ordering time has dropped too.”
